### COMMANDER'S MESSAGE

Another Legion year is just about complete and we are getting ready to head into the next Legion year. I'd like to thank those who served on the Executive Committee over the course of the last year. I'd also like to thank the outgoing SAL and Auxiliary officers for their efforts. Your support is crucial to the well-being of our Post. Last, but certainly not least, I'd like to thank the general membership for its support. I greatly appreciate all who attend the regular membership meetings, frequent Post events, or routinely stop by the Canteen. Having thanked everyone for their support or efforts last year, let me ask for the same in the upcoming Legion year.

Looking back over the year, we accomplished many things but many challenges remain. As with many non-profit service based organizations, membership and finances are at the core of the challenges. The same can be said for Post 259. We are relying heavily on fundraising events to support a Post Baseball Team and the Post Scholarship program. While I'm on that thought, thanks to all who have already made contributions toward both programs. As concerns membership, I greatly appreciate all who send their dues in each year. The strength of the American Legion is its membership and the same can be said for Post 259. We also have a core of dedicated volunteers working to increase or at least retain our membership numbers by writing letters, etc.

Our Memorial Day program was well attended and we had interesting speakers. No matter when we served, why we served, where we served, or in which branch of the Armed Forces we served, we share a common bond as American Legion members. If I can mention one small goal for next year it is that we fill the hall on Memorial Day as we honor those who gave all in defense of this great country.

I was (and am always pleased) to see how well the SAL Mother's Day Brunch was attended. Several attendees I spoke with commented on how good the food was and how long they'd been coming to the brunch. Thanks to all who volunteered as well as those who attended. I appreciate the comments on how we can better advertise the event and apologize for the oversight that it did not appear on the May calendar.

In closing, I'm honored to serve again as your Post Commander for the upcoming year. Over the course of the last year, I learned a great deal that can be applied to the upcoming year. I have several ideas to increase my availability which will be discussed in upcoming newsletters. To the incoming Executive Committee, SAL officers, and Auxiliary officers, thank you for stepping up and accepting leadership positions.

As always, thanks for your continuing support, thoughts, and ideas.

In Legion Service  
Brian Kern, Commander

Squadron 259 and the Clinton Moose Lodge members worked together on the Annual Christmas in April to perform repairs to a house in the Upper Marlboro area. Repairs were made both inside and outside the house. Thanks to Gary Castleman for his coordination of the event and the valuable work he performed. Other volunteers and members included Gary Shupe, Bill Scoble, and Charles Lewis. I even worked up a sweat.

I would like to thank the following volunteers and members for assisting to put on another great Mother's Day Breakfast. Everyone's hard work made the event a success.

## CHARLOTTE HALL

The Post held their monthly BINGO program on 13 May. As usual, helping me out this month were, Bob Levendusky, Al Elmond, and Mike Gilbert. There were 72 veterans in attendance and really enjoyed themselves. I would like to thank the Auxiliary for supplying the snacks for the evening. Our next BINGO will be 10 June. As I said before, we could always use a few more hands, helping out. Hope to see you there!! Remember to say, "THANKS TO A VET."

### **PAID-UP-FOR-LIFE MEMBER SAVINGS:**

Looking for a way to save some money? Do you sometimes forget to pay your annual Legion membership dues? If you answered yes to either of these questions, consider becoming a Paid-Up-For Life (PUFL) member. By becoming a PUFL, you don't have to worry about future increases in your annual dues or worry about whether you remembered to pay your dues. Interested? Go on line to [www.legion.org/national/join/pufl](http://www.legion.org/national/join/pufl) where you'll find a PUFL application, dues information, and information on an interest free time payment plan. You can also ask any of the Post officers for more information and they'll point you in the right direction.

### **FLAG DISPOSAL CEREMONY – JUNE 14th:**

Please join with your fellow Legionnaires and other interested parties as Post 259 formally and with dignity disposes of unserviceable flags. The ceremony begins promptly at 2 PM. on Flag Day, June 14th, at the Post.

### **FLAG AMENDMENT INTRODUCED IN HOUSE OF REPRESENTATIVES:**

On April 30, Representatives Jo Ann Emerson (MO) and Jim Marshall (GA) introduced House Joint Resolution 47, a constitutional amendment that would return to the American people the right to protect their flag. The one sentence amendment reads, "The Congress shall have power to prohibit the physical desecration of the flag of the United States." The amendment had 7 cosponsors at introduction. Post-election analysis indicates the measure enjoys support from more than 260 members of the House with 60 undecided. In six consecutive Congresses the House of Representatives has overwhelmingly passed a proposed flag amendment, only to see it fall short in the Senate by as little as one vote in 2006.

In 1989, the U.S. Supreme Court took from the American people their right to protect their flag by invalidating flag protection laws in 48 states and the District of Columbia in the case of Texas v. Johnson. In 1990, it invalidated a flag protection statute as well. To date, 50 states have passed memorializing resolutions asking Congress to pass the amendment and send it to the states for ratification.

All members of The American Legion family are asked to contact their U.S. Representatives and urge them to become cosponsors of H.J. Res. 47. If your member is already a cosponsor, thank them for their support of Old Glory. In addition, Legion family members should contact their U.S. Senators and request them to contact the office of Senator David Vitter (LA) and become a cosponsor of his companion resolution, which is expected to be introduced on May 6.

### **ANNUAL COLLEGE SCHOLARSHIP CONTEST:**

The Annual Post Scholarship Contest consists of two categories, (1) Surrattsville High School, Clinton MD students and (2) a relative from a member of the Post. This year only one Scholarship was awarded by the Post Scholarship Committee. The \$1,000.00 winner is Nathan E. Ryon from La Plata High School, a grandson of Bernard Byon. CONGRATULATIONS NATHAN!
